

Cultural Week of Action on Race and Democracy Application Questions

Applicant

- Name
- Contact information
- Organization
- Tax status
- Annual budget
- What are your organization's core programs and initiatives?

Project

- Title
- One sentence description
- Date + Time
- Location
- Itemized budget estimate
- Please list core partners for the proposal

Narrative

- Provide a brief overview of your project (up to 200 words)
- How does this project align with the theme of the Cultural Week of Action, *Building the Bigger We?* (up to 100 words)
- What actions will this project advance to address a specific local challenge related to race and democracy? What would success look like? (up to 150 words)
- How will this project advance racial justice in your community? Please include who the core partners are that you'll be co-designing the project with and any plans for collaborating and/or resourcing local artists and culture bearers (up to 200 words)
- Does this project align with work already underway in your community? If so, please describe how. If not, please discuss how this project could connect to long-term change work (up to 100 words)
- Will there be any creative outcome, e.g., mural, billboard, piece of art, etc, associated with the project? If not, how do you envision documentation of the activity to maximize impact over the longer term? (up to 50 words)
